

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK  
ALTAUNE BROWN,

Plaintiff,

-against-

CLUB ON BROADWAY, LLC AND NRP 1674 LLC,  
Defendants.

**COMPLAINT**

*Civil Action No. 1:24-cv-2027*

Plaintiff, ALTAUNE BROWN (“Plaintiff”), by and through his counsel, The Marks Law Firm, P.C., hereby files this Complaint against CLUB ON BROADWAY, LLC (“Club on Broadway”), and NRP 1674 LLC (“NRP;” collectively with Club on Broadway hereinafter referred to as “Defendants”) seeking equitable, injunctive, and declaratory relief; monetary and nominal damages; along with attorney’s fees, costs, and expenses pursuant to: Title III of the Americans with Disabilities Act 42 U.S.C. §§12181, et. Seq. (“ADA”); the New York City Human Rights Law (“NYCHRL”); and the New York State Human Rights Law (“NYSHRL”). Plaintiff hereby alleges the following:

**JURISDICTION & VENUE**

1. This Court is vested with jurisdiction pursuant to 28 U.S.C. §1331 and §1343 because this is an action for declaratory and injunctive relief pursuant to Title III of the ADA.
2. Venue is proper pursuant to 28 U.S.C. §1391(B) because the events giving rise to this lawsuit occurred in the State of New York, County of New York, at the property known as and located at 1674 Broadway, New York, NY 10019 (hereinafter “Defendants’ Premises;” which includes the commercial space, commercial establishment, and public accommodation therein).
3. This Court has supplemental jurisdiction over Plaintiff’s related claims arising under the NYSHRL and NYCHRL laws pursuant to 28 U.S.C. § 1367(a).

4. The remedies provided by the NYSHRL against discrimination are not exclusive, and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

### **PARTIES**

5. Plaintiff is a natural person and resident of the State of New York and New York County.

6. Plaintiff is a paraplegic who uses a wheelchair for mobility, which constitutes a “qualified disability” under the ADA.

7. Club on Broadway is a domestic limited liability company authorized to conduct business within the State of New York.

8. At all times relevant to this action and upon information and belief, Club on Broadway owns, leases, operates, maintains, and controls all, or the relevant portions, of Defendants’ Premises.

9. NRP is a domestic business corporation authorized to conduct business within the State of New York.

10. At all times relevant to this action and upon information and belief, NRP owns, leases, operates, maintains, and controls Defendants’ Premises.

11. The ADA, NYSHRL, NYCHRL, et seq. impose joint and several liability on the owner and lessee of a public accommodation.

12. Defendants, jointly and individually, are a public accommodation as they respectively own, lease, control, maintain, and operate all, or the relevant portions, of Defendants’ Premises.

### FACTS COMMON TO ALL CAUSES OF ACTION

13. Defendants' Premises is a public accommodation as defined by the ADA, NYSHRL, NYCHRL, et seq. because it, *inter alia*, provides goods and services to the public and is required to comply with the ADA, NYSHRL, NYCHRL, et seq.

14. Defendants' Premises is a commercial space as defined by the NYSHRL, and NYCHRL because, *inter alia*, a portion of the building and structure thereof used or intended to be used as a business, office, and commerce.

15. On February 5, 2024, Plaintiff last attempted to enter Defendants' Premises, which operates a well-known Sapphire night club and restaurant chain. Defendants' Premises is in midtown, less than four (4) miles from Plaintiff's home downtown.

16. Because the existing barriers prevent access and restrict the paths of travel, such as a step at the entrance, Plaintiff was unable to enter Defendants' Premises.

17. Because the existing barriers prevent access and restrict the paths of travel, such as staircase leading down to the main floor from the entrance of the Premises, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the commercial space and public accommodations within Defendants' Premises.

18. Because the existing barriers prevent access and restrict the paths of travel into and within Defendants' Premises, Plaintiff has been unable to enter the nightclub. Nor was Plaintiff offered any assistance in entering Defendants' Premises. During the cold February 5, 2024 attempt to access, Plaintiff encountered the downward staircase (with approximately 16 steps) leading to the main floor and asked an employee for assistance or alternative access to the Premises. The employee said there were no other entrance to the Premises, apologized to Mr. Brown and then directed him to another one for their locations, without assurance of its accessibility either. As a

result, Plaintiff was unable to enter the Premises and was forced to seek another nightclub/restaurant establishment that provides free travel and independent access as required by the ADA, NYSHRL, NYCHRL, et seq.

19. Because Plaintiff enjoys the New York City nightlife and restaurants with friends, Plaintiff has since been unable to return to Defendants' Premises in his neighborhood; however, the barriers that prevent access and restrict the paths of travel remain, and Plaintiff continues to be denied access and is deterred from returning based on his knowledge that the barriers exist. Accordingly, Plaintiff has and continues to suffer an injury in fact.

20. Defendants denying Plaintiff the opportunity to participate in and benefit from the services or accommodations offered within Defendants' Premises because of his disability has caused Plaintiff to suffer an injury in fact.

21. Plaintiff intends on immediately returning to Defendants' Premises once the barriers to access are removed and Defendants' Premises are ADA compliant.

22. Defendants' failure to comply with the ADA, NYSHRL, NYCHRL, et seq. impedes upon the rights of Plaintiff, and other similarly situated disabled individuals, to travel free of discrimination and independently access Defendants' Premises.

**COUNT I**  
**VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

23. Plaintiff repeats and reiterates each and every allegation contained in the above paragraphs as if fully set forth at length herein.

24. The ADA prohibits discrimination on the basis of disability by, *inter alia*, guaranteeing individuals with disabilities are provided with reasonable accommodations that enable free travel and independent access to commercial establishments, commercial spaces, and public accommodations by the owners and operators of same.

25. The ADA, the 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (collectively referred to as the “Accessibility Standards”) establish that property owners and the operators of commercial establishments, commercial spaces, and public accommodations are responsible for complying with these Accessibility Standards.

26. Upon information and belief, Defendants’ Premises was built before January 26, 1990, and has subsequently undergone substantial remodeling, repairs, and alterations.

27. Defendants have discriminated, and continue to discriminate, against Plaintiff and others that are similarly situated by denying full and equal access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages, and accommodations offered by Defendants at Defendants’ Premises, in violation of the Accessibility Standards.

28. Plaintiff has been, and continues to be, unable to enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered by Defendants at Defendants’ Premises.

29. Plaintiff visited Defendants’ Premises with the intention of utilizing the commercial establishments, commercial spaces, and public accommodations within Defendants’ facilities but was denied access because of the barriers that prevent access and restrict the paths of travel, and therefore suffered an injury in fact.

30. Plaintiff continues to reside in New York and desires to visit Defendants’ Premises in the future but continues to be injured by Defendants’ failure to remove the barriers that prevent access and restrict the paths of travel to and from Defendants’ Premises. Accordingly, Plaintiff continues to be discriminated against in violation of the ADA, NYSHRL, NYCHRL, et seq.

31. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the Americans with Disabilities Act Accessibility Guidelines (hereinafter “ADAAG”), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

32. Defendants’ Premises is in violation of the ADA, 42 U.S.C. §12181 et. Seq., and the Accessibility Standards, and is discriminating against the Plaintiff, in pertinent part, as a result of the following violations:

- a. Defendants’ Premises lacks an access route from site arrival points, such as the public streets and sidewalks, to the accessible entrance due to the downward staircase (with approximately 16 steps) at the entrance leading to the main floor/ bar area of the Premises, in violation of Sections 206.2.1, 303.5 and 404.2.4 of the 2010 ADAAG Standards.
- b. Defendants’ Premises fail to provide a service/bar counter that complies with Sections 904.4 and 227.3 of the 2010 ADAAG Standards. More specifically, the existing service counter exceeds 34 (thirty-four) inches in height from the floor.
- c. Defendants’ Premises fail to provide at least 5% of accessible tables and seating with proper knee/toe clearance.
- d. Defendants’ Premises fail to provide alternative and accessible entrances to all levels of the nightclub (including the main floor that has a bar).
- e. Defendant’s Premises fails to provide access to all levels inside the Premises.
- f. Defendants’ Premises fail to provide an accessible restroom with accessible features.
- g. Defendants’ Premises fail to provide adequate directional and accurate informational signage throughout the commercial space and public accommodation.
- h. Defendants’ Premises fail to provide a safe and accessible means of egress for emergencies.

- i. Defendants' Premises fail to provide an accessible bathroom (steps into the restroom) that includes accessible features (grab bars, pipe insulation etc.).
- j. Defendants' Premises fail to adhere to a policy, practice, and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

33. Upon information and belief, there are other current violations of, inter alia, the ADA, NYSHRL, NYCHRL, et seq. at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

34. To avoid fragmentary litigation, Plaintiff requires a full inspection of Defendants' Premises to identify Defendants' joint and several violations of and non-compliance with the ADA, NYSHRL, NYCHRL, et seq. As such, notice is therefore given that Plaintiff intends to amend the Complaint to include any violations discovered during an inspection that are not contained in this Complaint that Defendants must remediate.

35. To date, the barriers and other violations of the ADA at and within the Defendants' Premises still exist, and the removal of same are readily achievable; however, these violations have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA, NYSHRL, NYCHRL, et seq.

36. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, Defendants were required to make Defendants' Premises, a place of public accommodation, accessible to persons with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

37. Defendants failed to make alteration accessible to Defendants' Premises to the maximum extent feasible.

38. Defendants failed to make all readily achievable accommodations and modifications that would remove barriers and create independent access to Defendants' Premises.

39. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter Defendants' Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of Defendants' Premises until the required modifications are completed.

40. Plaintiff has suffered and will continue to suffer damages because of Defendants, joint and several, violations of the ADA in an amount to be determined at trial or by the Court, along with an award of Plaintiff's reasonable attorneys' fees, expenses, and costs as provided for by the ADA.
